

Jesus said, "Follow me. I will show you something better than fishing.
I will teach you how to tell people about God's love
and you can tell them all the things you know about me."
I want to follow Jesus too!

It was a perfect night to go fishing.
Simon and his friends put the things they
would need to fish at night, into their boats.
They rowed out to their favourite fishing place.

They put their nets over the side and waited.
You can't hurry fishing! The moon
shone on the water. Fish jumped nearby.
"We should catch plenty of fish tonight," they said.

2

Later, Jesus told Simon to put his net on the other side to catch fish.
"We didn't get any fish all night, but I will do what you say," Simon said.
When they pulled the net in it was so full of fish they needed help!
Jesus did miracles!

Jesus told stories about God's love.
He told people to love God, be kind to each other,
to be honest and work hard. Jesus was so kind.
Simon could listen to Jesus all day. He forgot he was tired!

6

After a long time they pulled the net in.
It was very heavy!
How many fish would there be? Not even one!
They would have to try another place.

But everywhere they fished that night
it was the same — they caught nothing at all!
They were tired. Fishing was hard work.
They rowed slowly back home.

4

While they were cleaning their nets Jesus came along the beach.
A lot of people followed him. They wanted a story.
“Can I sit in your boat and talk to these people?” Jesus asked.
Simon rowed out a little way and listened to Jesus too.
