

God made a beautiful rainbow in the sky.  
Noah and his family had never seen a rainbow before!  
Rainbows remind us that God has promised  
never to make it rain that much again!

God said to Noah, "It is going to rain.  
Build a big boat with rooms for  
a mother and father of every animal."  
Noah did what God told him to do.

1

Noah built the boat just the way God  
had said. His family helped him too.  
Then they painted it all over.  
We call Noah's boat "Noah's Ark."

At last the day came when everyone  
could go outside again!  
Noah and his family thanked God  
for keeping them safe and dry.

It took a long time for the water  
to go away and the ground to dry.  
Noah and the animals had to wait and wait.  
Noah sent a bird to see if there was dry land.

When Noah had finished,  
a father and mother of each animal  
went into the Ark. What a noise!  
So many animals!

The water got deeper and deeper.  
But Noah, his family and the animals  
were safe and dry inside the Ark.

All the land was covered with water.  
It rained all day and night for days and days.  
Then one day the rain stopped!  
Inside the Ark it was noisy and smelly!
