Verse

Be Thankful to Him. Psalm 100 verse 4

Jesus can make sick people better. Just like God has the recipe to make new skin from blood, when we bleed and it turns into a scab. When the scab falls off it is all better! Well, Jesus made the sick people better too.

- God uses Doctors to make us better as well. **Make sure the children know that now there is medicine and we don't get leprosy.**

Use doll with “sores” a bell to ring so people will not come near. A begging bowl. Some bandages.

Act out a man getting a sore foot – it is a sickness called leprosy. He puts a bandage on - he gets sores all over. He has to leave his family and

friends and live in a cave so that other people don't get sick. He is too sick to work any more. Lots of other sick people live in the cave too. Sometimes friends leave food nearby but sometimes they have to go out and ask people for money to buy food. People don't want to go near them.

One day ten lepers – **show ten fingers** – went to find some food. Jesus came along. He was sorry for the poor lepers and he touched the sick man. People were surprised. Jesus asked them what they wanted. He told them to go home that they were well. As they walked along they saw their sores were gone! They were so happy. But one man turned back to find Jesus. He wanted to say thank you.

Jesus said, "There were ten men made better but you are the only one who has come back to thank me. Go back home and tell your family what God has done for you."

The man went home and told everyone about Jesus!

- Be kind to people who are sick or don't have enough to eat. Help them.
