You are still with me.
You will always love me.
You promise in the Bible
that you will never leave me
and you will never forget about me.
That makes me feel safe."
I can talk to God anywhere.**

God is up in heaven.
He made the most
far away star
in outer space!

My God is
EVERYWHERE
in the whole
universe!

God is up in heaven.

My God is
EVERYWHERE
in the whole
