A fuzzy caterpillar
wiggle finger
Climbing up a tree
walk finger up arm
2

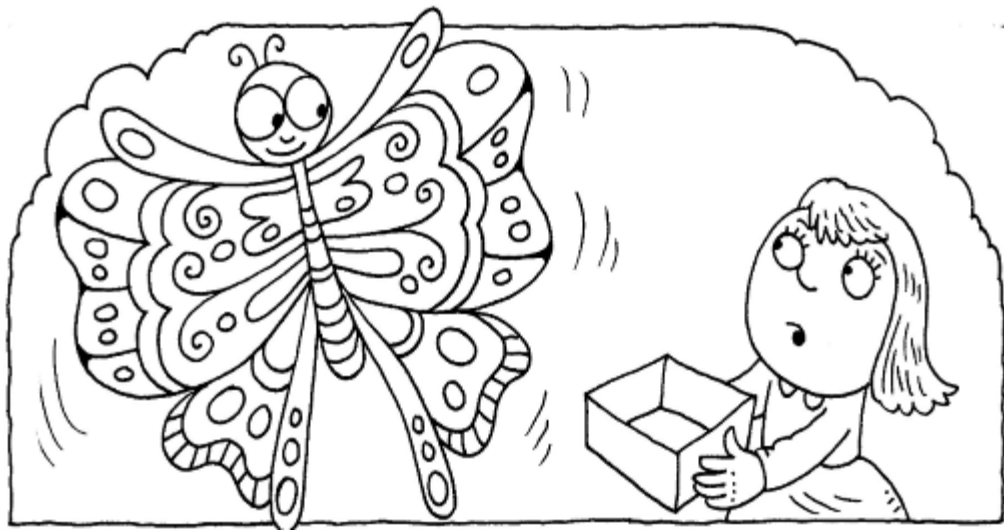

I could never do that
shake finger
Even if I try
palms open

But when I opened up the box - Ooh!
open fingers one by one—hands to face surprised

It was a butterfly
thumbs crossed make butterfly

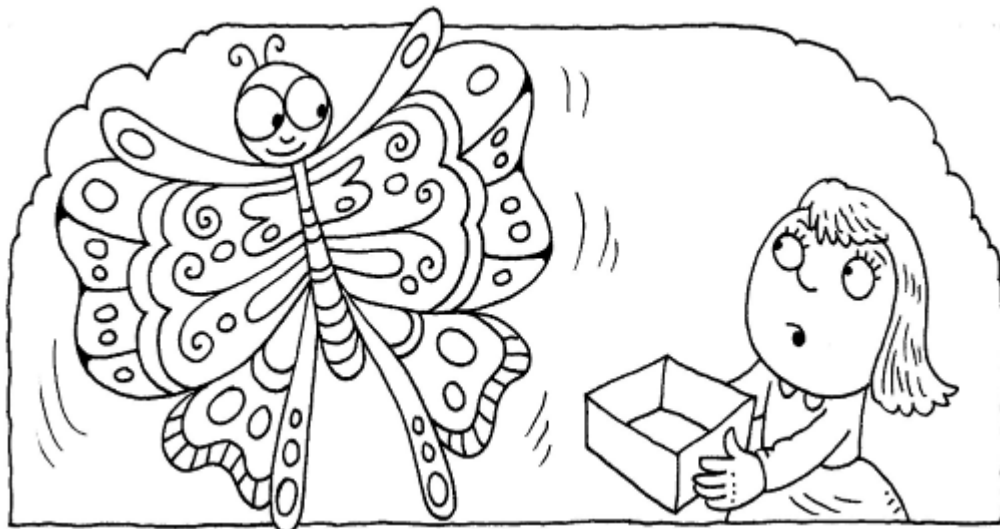

6

He wiggled long
wiggle finger

He wiggled short
walk finger small

He wiggled
wiggle finger
right at me!
towards nose

I put him in a box
forefinger into palm— close fingers around
“Don’t go away - don’t try!”
