

My little sheep are waking,
it is another day,
but God's love living in my heart
will never go away.

I Am A Little Shepherd Boy

Based on Luke 2

1

I am a little shepherd boy,
I look after all my sheep. I watch
over them all through the night,
so they can safely sleep.

2

We found the baby sleeping,
just like the angel said,
wrapped snugly in his warm
blanket, in a manger for a bed.

"Don't get a fright," the angel said,
"God sent his only Son.
He is God's special gift to you,
God's love to everyone."

6

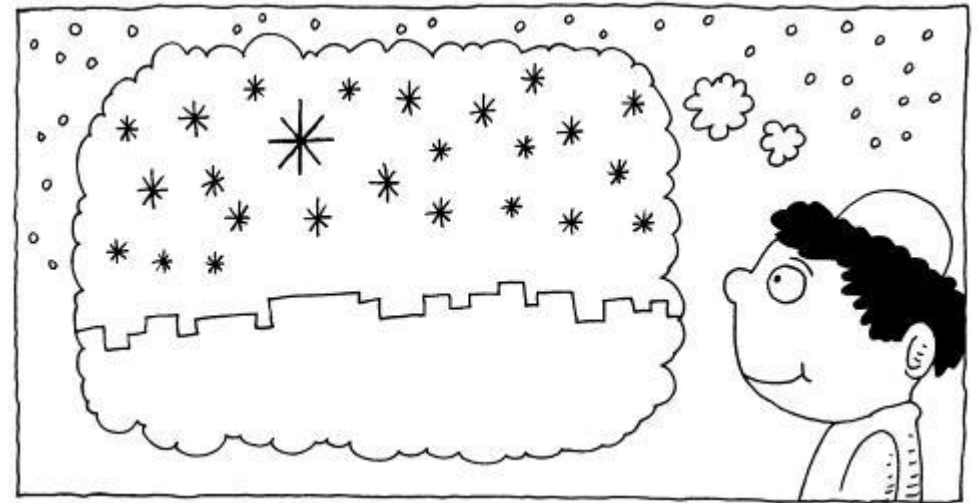

I sit and watch
the stars at night
and remember
what I saw.

One special night,
so long ago,
when Jesus Christ
was born.

4

The biggest star I ever saw
shone in the sky that night
and angels suddenly appeared,
all shining and so bright.
