He is high on the mountain
make mountain with fingers

He is deep in the sea
point down

He is out in the desert
two arms straight out move side to side

And the forest deep
wave arms overhead

He is up in the heavens
point to sky

And he lives in me
point to self

My God is everywhere!
arms open wide

Chorus

He's everywhere.
fingers together open arms wide
Everywhere x3
My God is everywhere
He's everywhere.
