Crocodile on The River Nile

By Jill Kemp

Stork stands by the river Nile

stand on one leg

His beady eye on the crocodile

one eye shut, fist to the other eye

Crocodile's not hungry today

shake head

He shuts his mouth

clap

And he swims away

hand wiggles away

Bobbing up and down on the river Nile

bob up and down

Don't be afraid of the crocodile

shake head

God's looking after a baby today

point up

Keeping crocodile away

hand out in stop sign

Slippery snake by the river Nile

snake like hand movement

His beady eye on the crocodile

one eye shut fist to the other eye

Crocodile's not hungry today

shake head

He shuts his mouth

clap

And he swims away

hand wiggles away

Bobbing up and down on the river Nile

bob up and down

Don't be afraid of the crocodile

shake head

God's looking after a baby today

point up

Keeping crocodile away

hand out in stop sign

Hippo by the river Nile

arms out wide move side to side

His beady eye on the crocodile

one eye shut fist to the other eye

Crocodile's not hungry today

shake head

He shuts his mouth

clap

And he swims away

hand wiggles

Bobbing up and down on the river Nile

bob up and down

Don't be afraid of the crocodile

shake head

God's looking after a baby today...

Princess came to the river Nile

"Look at that," said the Crocodile

point
"She saved baby Moses
rock baby in arms
He's safe from me
look around
But I am hungry who's for tea?"
"eat" someone yum, yum, yum

Hold up your right / left hand

Start with your thumb. Use puppet faces on fingers

In my house you will see

A very happy family

This one's Father

This one's Mother

This one's Sister

This one's Brother

Who can this little one be?

This little one is me!

Stick a picture of Jesus in your palm

Move hands from side to side

Jesus helps my family have
wave hand from side to side

A happy, happy, home x3

A, happy, happy,

Happy, happy, home.
