and the fruit that grows in us is
love, joy, peace, patience, kindness,
gentleness, faithfulness and self control.

Make me like a tree
wave arms overhead
Planted by the river

2

Make me like a tree
hand in snake like motion
Planted by the river of life.

7

A welcome home
cross thumbs fly fingers
For the heavenly dove

6

A strong and healthy tree
wave arms overhead
Bearing fruit forever

Roots down deep
fingers point down like tree roots
In the soil of Your love

4

Raindrops glisten
rain fingers down
On the leaves above
