

THE BIBLE TELLS ME

Jill Kemp

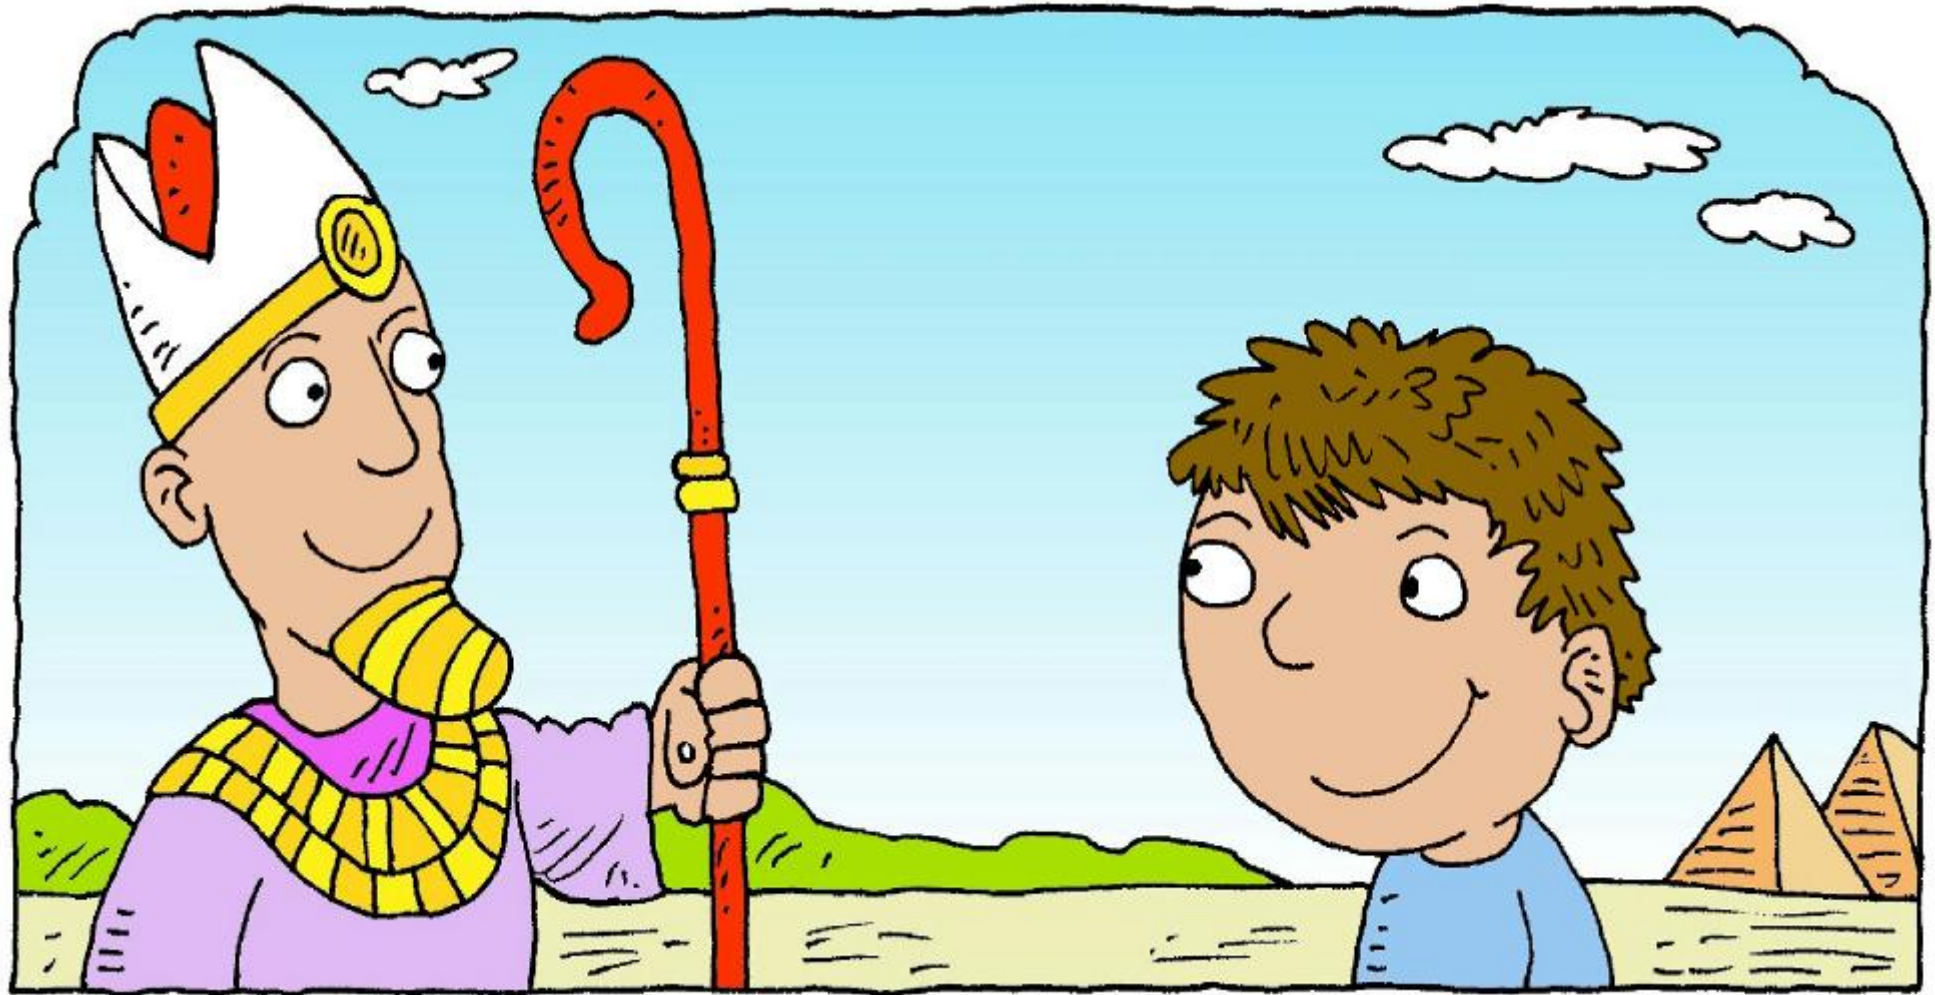

Illustrated by Richard Gunther

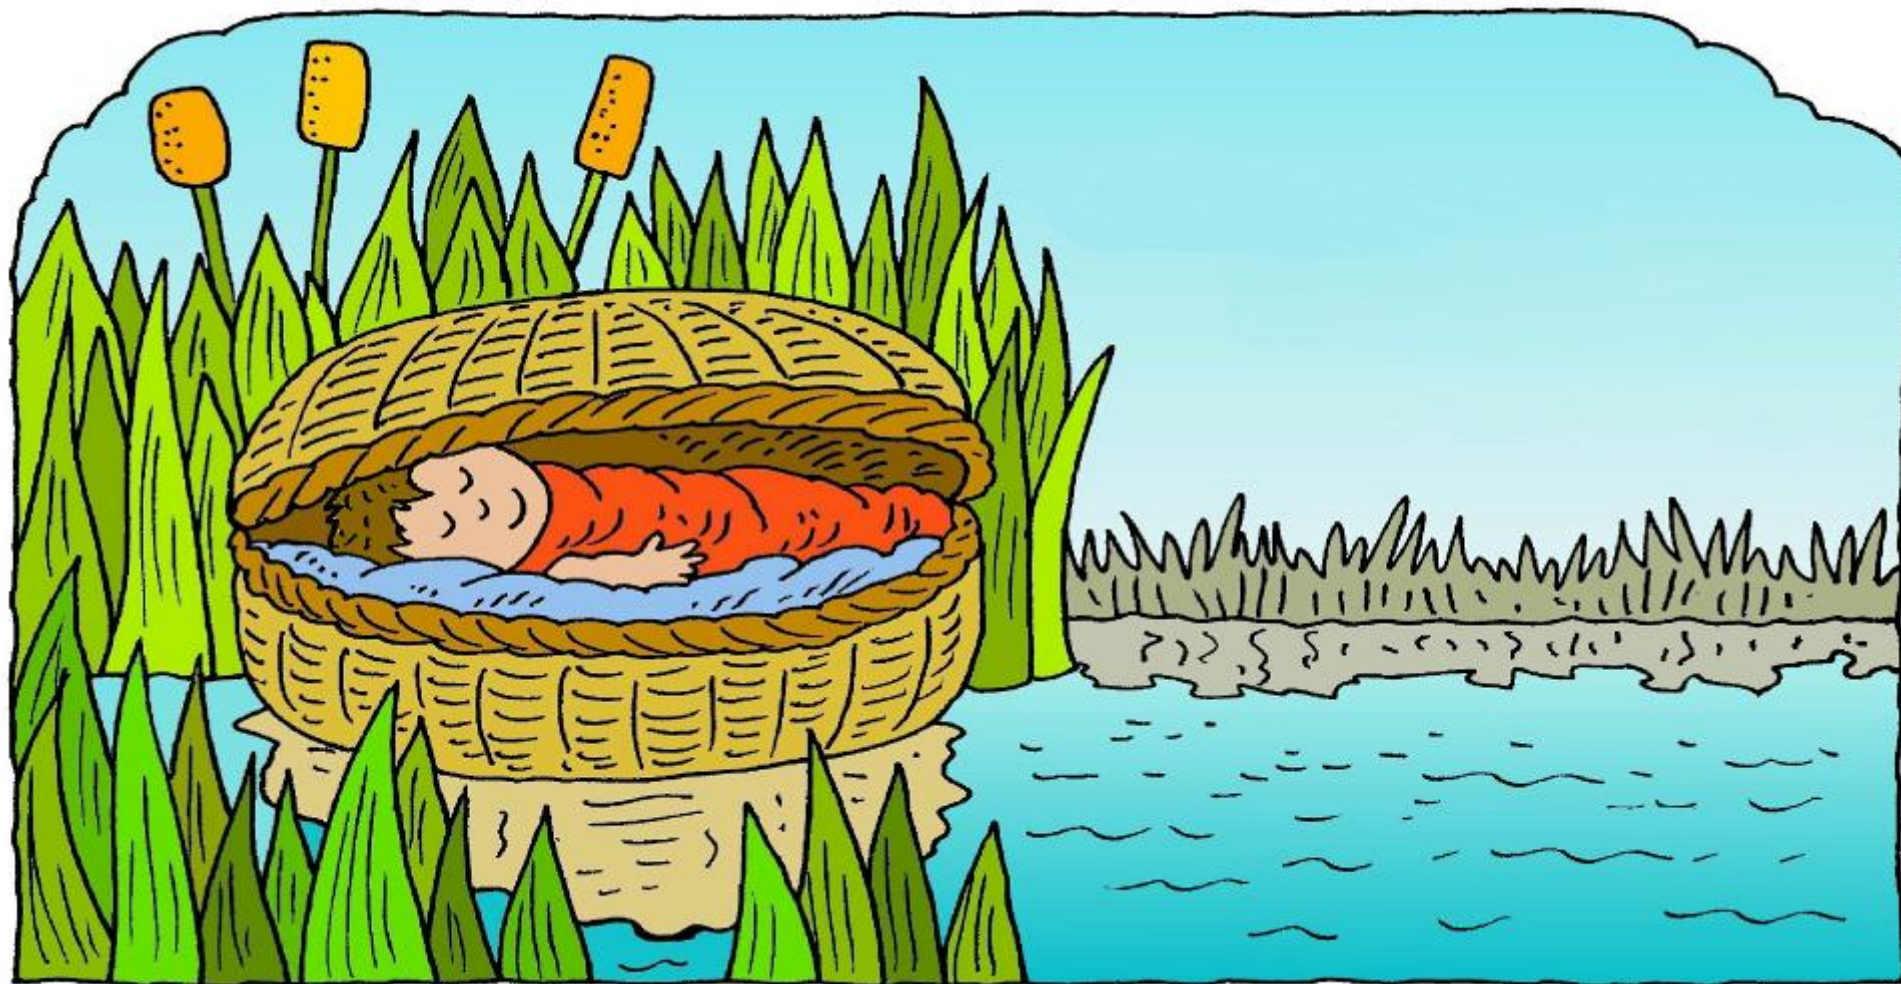

The Bible tells me
that God made the world.
God made the whole universe
and everything in it.

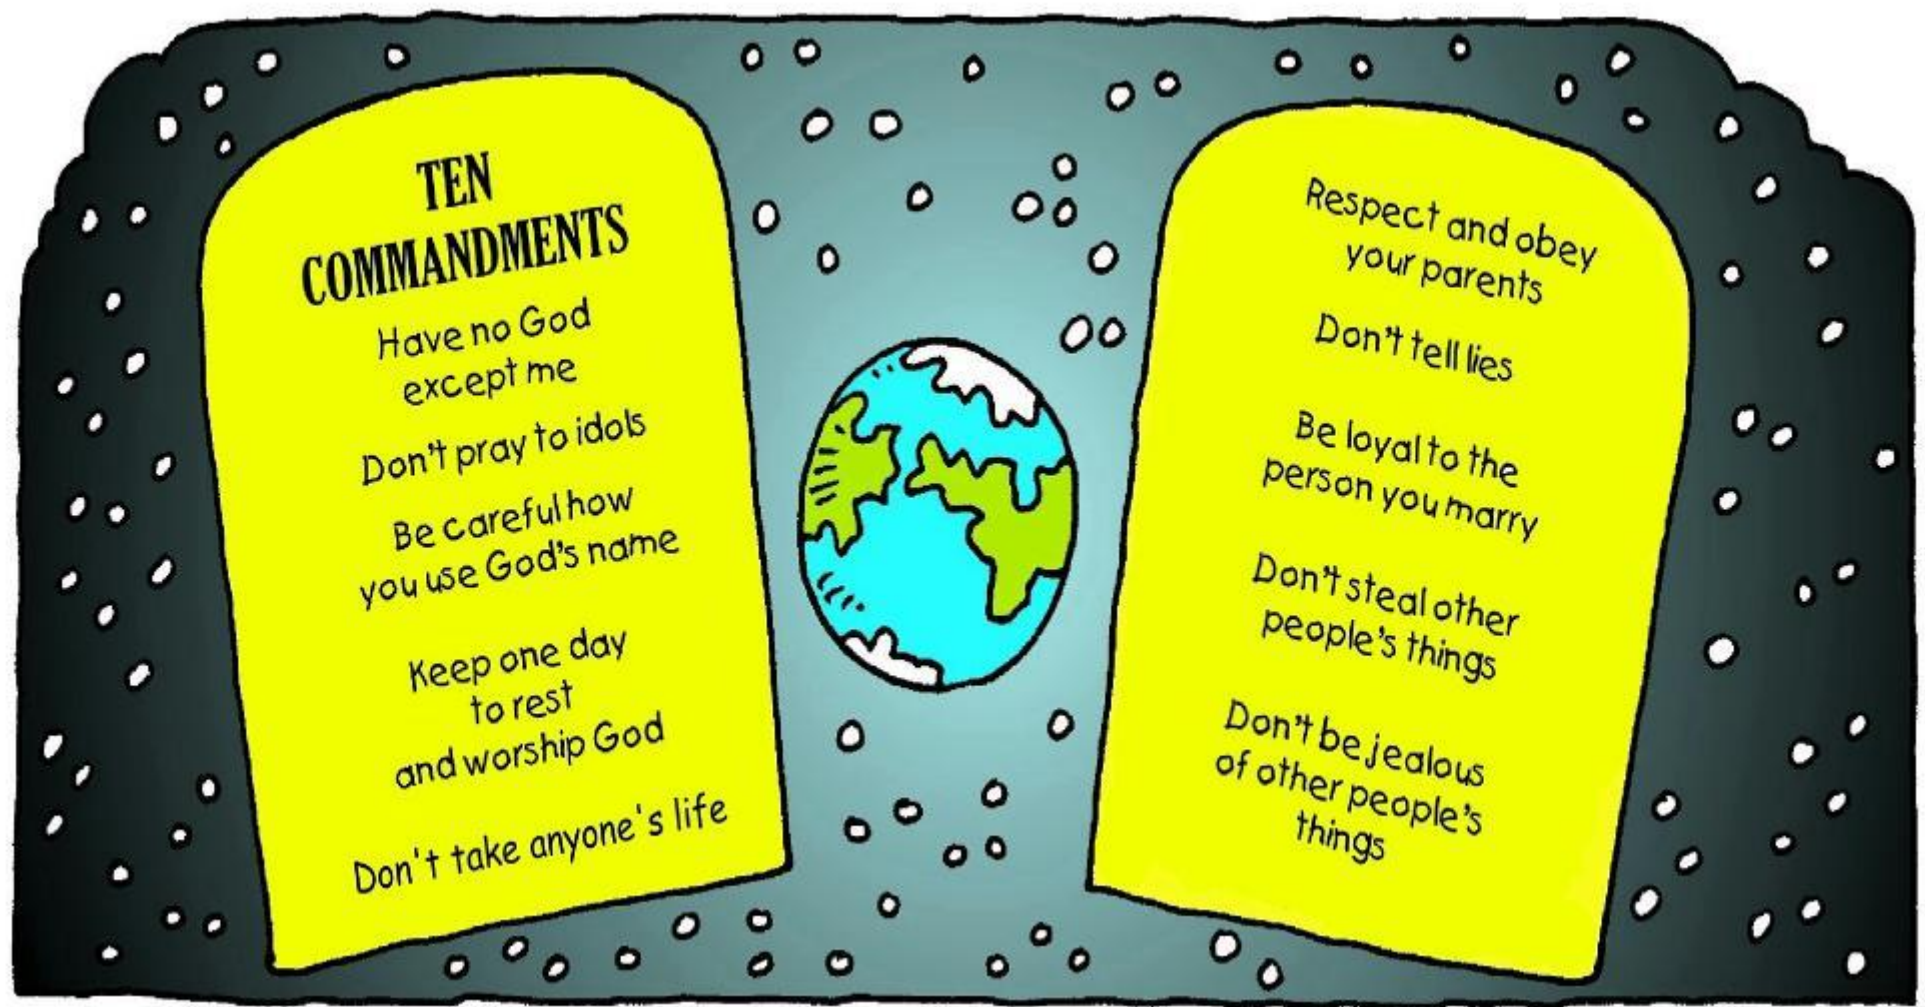

It says that God told Noah to build a big boat
and we call it “Noah’s Ark.”
Noah put a mother and father
of each animal inside.

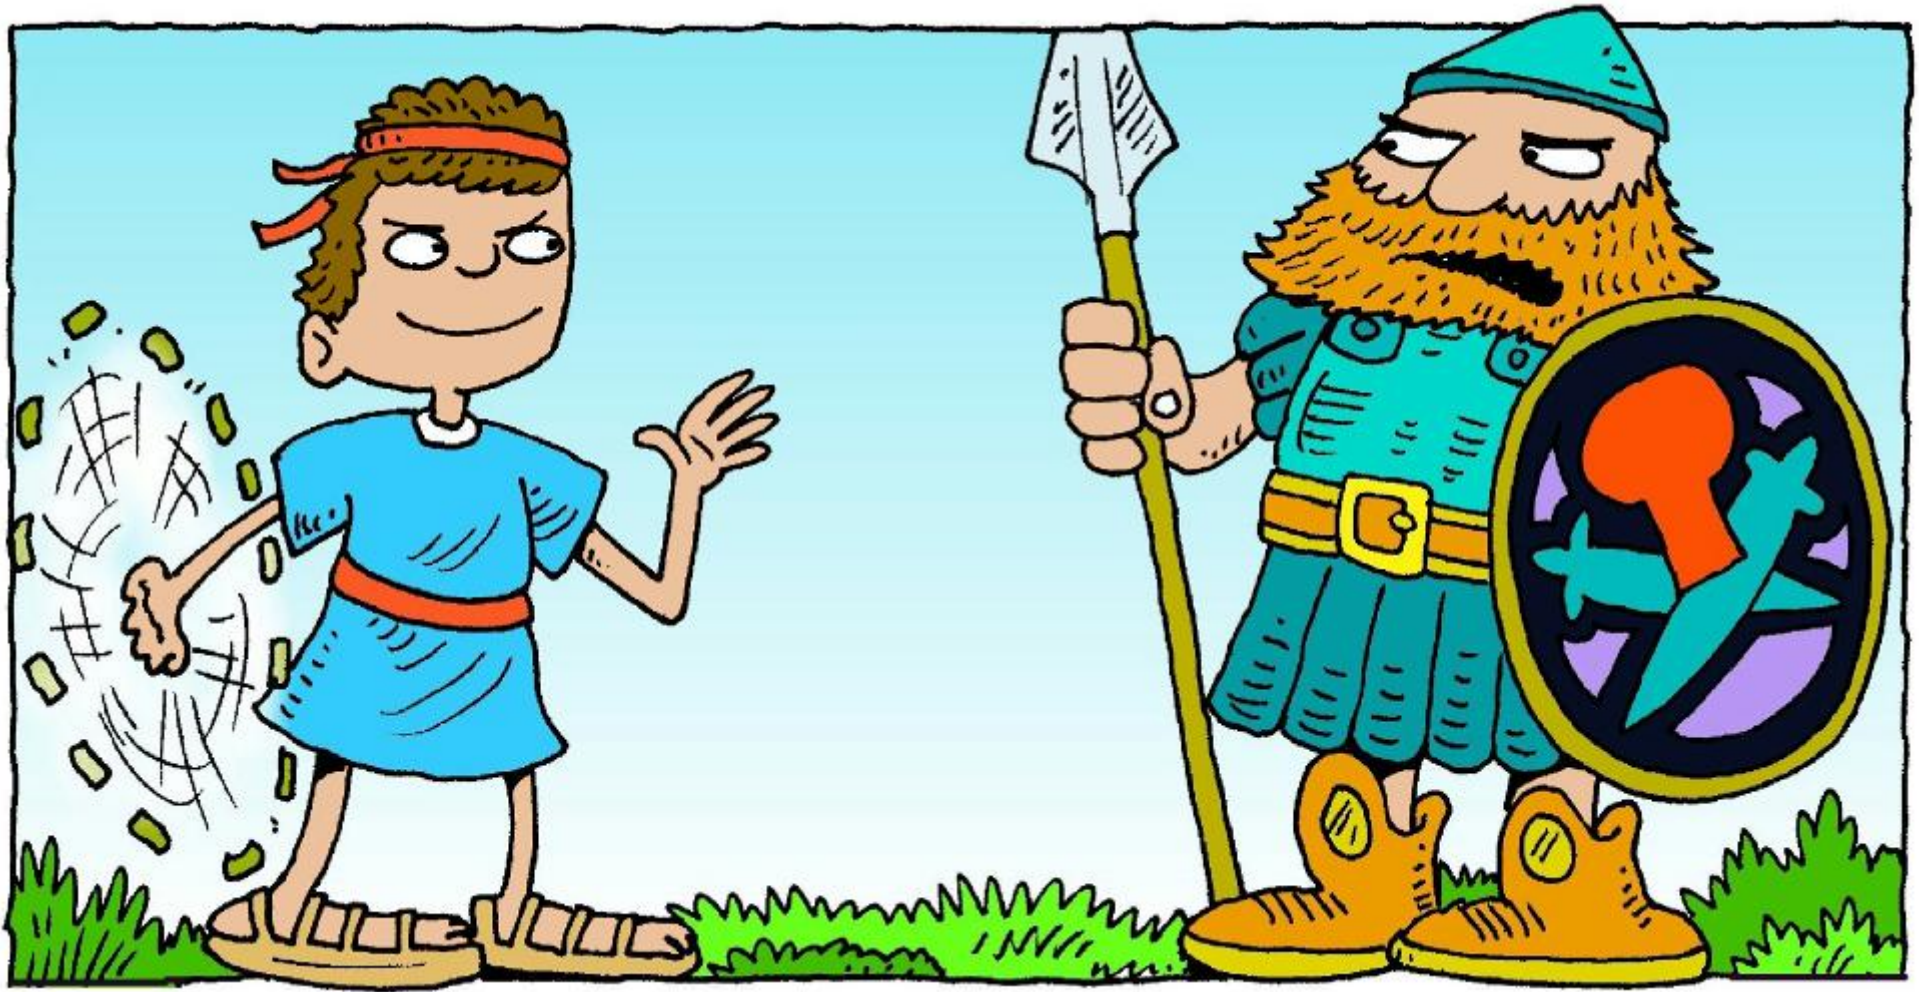

We read how God looked after Joseph when his brothers sold him to King Pharaoh in Egypt. Joseph was far from his family, but he loved God and did what was good and right.

The Bible tells us how Moses' mother prayed
that God would keep her baby safe.
She put him in a little basket on the river Nile.
God saved baby Moses.

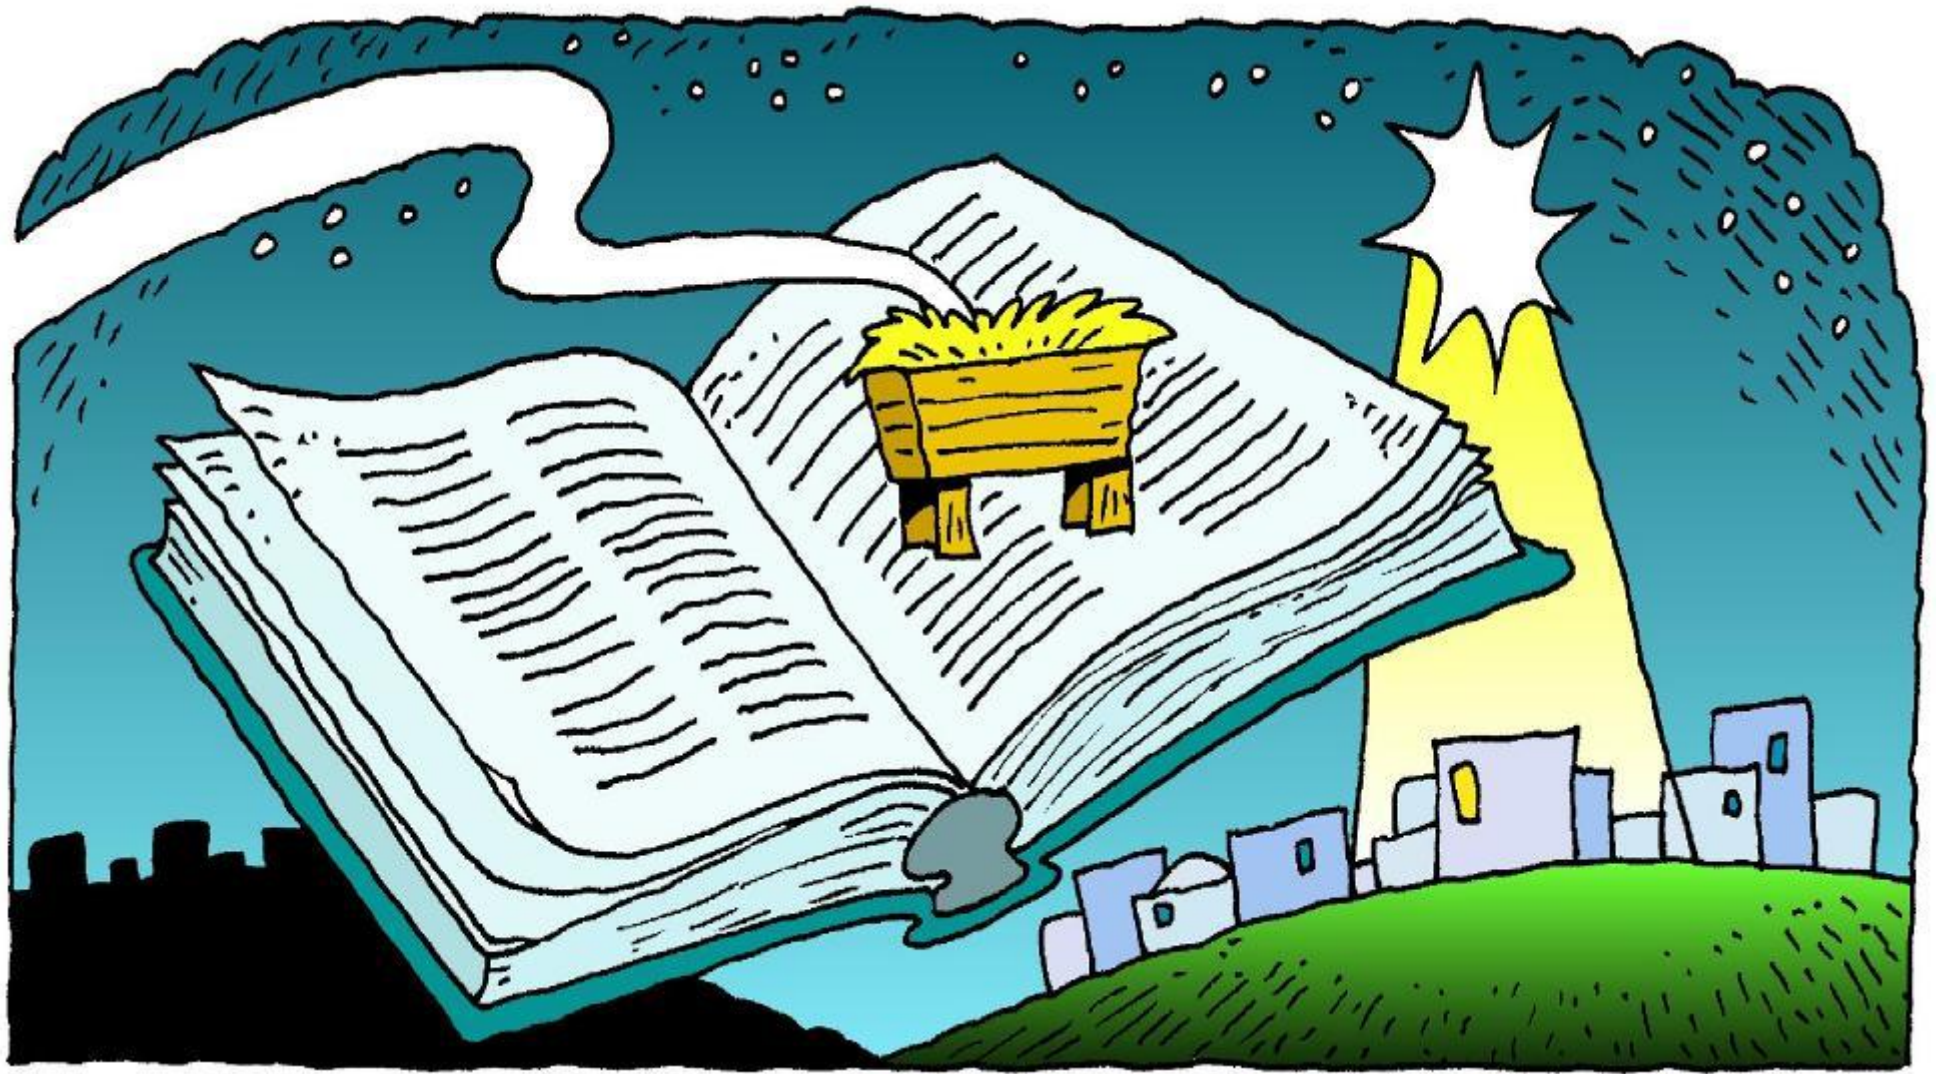

When he was a grown up into a man, God gave Moses the Ten Commandments, on two big stones. They tell us to do what is good and right.

The Bible tells us about a boy called David.
When everyone was scared of big Goliath,
God helped David to be brave.
God can help me to be brave too.

David sang lots of songs to God.
His songs are in the Bible.
The songs thank God for looking after him
and remind us that God is always with us.

God promised in the Bible
that He would send His Son to earth.
Jesus was born in Bethlehem.
He had a manger of hay for a bed.
