- Make a tent or hut with blanket roll.
Baby bundles of clothes toys etc.
Props Pillar of cloud on fishing line and Pillar of Fire on fishing line.

Talk about walking in the dessert and not knowing which way to go.

God showed the people the way. With a cloud during the day and a pillar of fire at night.

When they saw them, they knew God was with them.

When they moved the people had to pack everything up.

Sometimes they got tired of staying in the same place for a long time and sometimes they would just get unpacked and they would have to move again!

Use dolls or act out scenario.

The people always knew that God was with them and they were safe.

We know that God is with us too. We read God's words in the Bible and we don't need a cloud or fire to show us where to go.

Puppet

Use puppet to tell each child that Jesus loves them.

Pray

Thank you, God, that you are with us wherever we are. We know we are safe because you are always with us.

Craft

Tent or cloud and flame with verse on.
