With ECHO

He is high on the mountain
make mountain with fingers

He is deep in the sea
point down

He is out in the desert
two arms straight out move side to side

And the forest deep
wave arms overhead

He is up in the heavens
point to sky

And he lives in me
point to self

My God is everywhere!
arms open wide

Chorus

He's everywhere
fingers together open arms wide

Everywhere x3

My God is everywhere

God made the sunshine

... rain

... night

... day

God made the Caterpillars and

The Bumble Bee

But best of all

Most of all

God made me!

And God made the earth

... sky

... birds that fly so high

... fish that swim in the sea

Yes, best of all

Most of all God made me

The birds up in the treetops

bird beak actions

Sing their song

Early in the morning

And all day long

The flowers in the garden show

arms wave above head

God's love to you

point: up point and to another person

So why shouldn't I

point to self

Why shouldn't you

point to others

Praise God too

clap
