## Verse

In the beginning God made the heaven and the earth.  
**Genesis chapter 1 verse 1 – learn “address”.**

**There are lots of words in the Bible.**

**The address helps us to find them.**

## Lesson

- *Little children don’t need to know day 1, 2 etc. as many can’t count. Just that God made it – and it was good - it was God’s idea.*
- God was always there. He made the universe and the world. It was dark and empty. There were no people, no day no night. Nothing just black.  
Use a black card or **fabric** (I attached 2 black layers to a shoebox lid with the middle of the lid cut away.  
1. Show all black

God said, "Let there be light." He made the stars, sun and moon to shine.

2. Layer two: cut moon star and circle sun shapes.

Shine torch from behind.

Use pictures from books etc.

God made night and day. There had never been a day and night before!

God made the seas, mountains, and the world, but no one lived there- no fish, no animals – no people.

But God saw everything he made, and it was good.

**Talk about what a tree needs to grow – sunshine, soil, and water. Talk about growing up to be good.**

Puppet

Pray
