Do you ever wonder
where God is?
The Bible tells us
that God is everywhere!

If I was on Mt Everest
God would be higher still!
God could still see me!

God is even in the deepest ocean!
He knows every little fish
And he is still with me.

God is up in heaven.
He made the most
far away star
in outer space!

My God is
EVERYWHERE
in the whole
universe!

"When I feel lonely
You are still with me.
You will always love me.
You promise in the Bible
that you will never leave me
and you will never forget about me.
That makes me feel safe."
I can talk to God anywhere.

Now my little heart
has a great big LOVE
for Jesus too!

God is **EVERYWHERE!**
I can never get lost to God!
He is always with me.
