Illustrated by Richard Gunther

Joseph had ten big brothers
and one little brother.
He loved God and
he loved his family.

His father loved Joseph very much.
He gave him a special present.
It was a new coat with lots of colours.
He showed his new coat to his brothers.

Joseph's brothers were grumpy.
They wanted a colourful new coat too!
They told Joseph to go away.
Joseph's brothers were not kind to him.

The big brothers went to look after the sheep.
One day his dad told Joseph to find them.
Joseph put his new coat on straight away.
He always obeyed his father.

It was a long way to go.
When he saw his brothers
he called out and waved.
But his brothers were still grumpy.

They were not kind and took his coat away.
Then they put him down inside a big hole.
Joseph was sad, but he remembered
that God was always with him.

The brothers saw men coming on camels.
They wanted a boy to help King Pharaoh.
The brothers got Joseph out and sold him.
The men took Joseph away to Egypt.

Joseph prayed and asked God to help him.
He knew that God is always with us and
wants us to do what is good and right.
And so Joseph was good in Egypt.
