

5. Knockity Knock

By Jill Kemp

Melody: Mulberry Bush

Sung by Wendy Webster

Steve Wiggins and Brittany Wiggins

Knockity knock knock

knock

Knock knock knock

Have you room for us to stay

No no no we're far too full

We have no room - just go away

wave away

Knockity, knock, knock

knock

Knock, knock, knock

Can we have a place to sleep

Yes yes, yes please come right in

beckon in

Our barn is warm

We'll move the sheep

Knockity knock knock

Knock knock knock

Have you a baby born today

Angels sang the happy news

conduct

Of Jesus in a bed of hay

rock baby

If Jesus comes knocking on my heart

knock on heart

I'll let him in come in right away

beckon in

I'll keep him living in my life

I'll make room for him to stay
