Keeping as close to traditional with words today's child can understand.

Words by Jill Kemp

Sung by Sarah Winter

Away in - a manger - in a bed made of hay

rock baby

God's Son ba - by Jesus

point sky

Born this Christ - mas day

sleeping

A star in - the night sky - so big and so bright

diamond above head

Twinkles - so brightly

twinkle fingers high

This first Christmas night

hands under head sleeping

The cows mooing softly the baby awakes

rock baby

God's Son ba -by Jesus

No crying - He makes

I love you - Lord Jesus

hand on heart

Look down from - on high

shade eyes

Keep these - little children

hug self

Safe all - their lives

Be near me - Lord Jesus - I ask you to stay

Close by me - for ever

And love me - I pray

praying hands

Bless all the - dear children

pray blessing over children

In your loving care

And take them - to heaven

point up

To live with - you there

hug self
