

3. Digger Driver

Jill Kemp

Melody Steve Wiggins

Sung by Steve Wiggins

Call me on your cell phone

"cellphone" to ear

If you need to shift some dirt

I'll bring my digger and my truck

driving action

See how hard I work

Putting on my hard hat

hat

Turning on the key

key

Changing gear and off I go

change gear

I'm the Boss

muscles

That's me

thumbs up

Chorus:

I'm a digger driver

Digging with my digger

dig

My diggers very big

I love to drive my digger

Dig Dig Dig Dig Dig

dig fast

Filling up the dump truck

Swing two arms together one side - center - other side

Working hard all day

I love to drive my digger

And move the dirt away

Chorus:

I'm a digger driver

Oh I'm a digger driver

driving

No time to stop and rest

I love to drive my digger

I 'm the boss

muscles

The best!

thumbs up

I 'm the boss

muscles

The best!

thumbs up
