### Bean Bags or Balls – Throwing & Catching

Your my bean bag partner  
Here's my bean bag - see  
You can have my bean bag  
You throw yours to me

#### Chorus:

Oh bean bag partners we are  
Together we can play  
Throwing and catching  
Having fun this way

Sharing with my partner  
I'll throw mine to you  
Throw my bean bag quickly  
'Cause I don't need two

#### Chorus:

Oh bean bag partners we are  
Together we can play  
Throwing and catching  
Having fun this way

If there is no bean bag  
Something else will do  
But you'll need a partner  
To throw something to

#### Chorus:

Oh bean bag partners we are  
Together we can play  
Throwing and catching  
Having fun this way
