

15. Sock-a-thon

By Jill Kemp

Melody - Steve Wiggins Sung by Brittany Wiggins

I'm having a sock-a-thon
Where have my socks all gone
I've lost them all some how
What will I wear today
When I go out to play
I have only odd socks now

And everybody said
Just keep looking
shout

In my bag - here they are
Under my bed - in the car
In my shoes - behind the door
Under the chair I find some more
But dirty socks should always go
In the washing - don't you know

repeat

I finished my sock-a-thon
That wasn't very long
I have socks today
Now I will take more care
To keep socks as a pair
I will put them both away
EVERY DAY!
