

2. Going Surfing

By Jill Kemp

Merry Go Round

Actions To The Beat (almost a dance)

Come with me I'm going surfing

beckon

Get my flippers for my feet

tap toes

Tie my surfboard to my ankle

Grasp each ankle alternatively

Going surfing's really neat

twist

Put the sun screen on my nose now

pat nose

Run down to the sea

run on the spot

Lie down on my surf board

lie on tummy

Can you paddle it like me

paddle hands alternatively

Kneel up on my surfboard

kneel up

Paddle on the sea

paddle hands in unison

Stand up on my surfboard

stand up arms outwards

I'm a surfer look at me

change arms to the beat

Bend my knees to

bend knees - bobbing

Keep my balance

arms out

I'm a surfer look at me

Twist this way and that now

Bend knees twisting

I'm a surfer on the sea

I'm a surfer on the sea
