

5. Excavator

Traditional
Merry Go Round

Verse 1:

If you ride on an Excavator
walking on the spot
It will save you walking
Watch the way
hand over eyes
The whole thing moves
And listen to it working
hand to ear

Chorus:

With a Vroom, vroom, vroom,
arms piston action
Vroom, vroom, vroom,
Dig, dig, dig
hands scooping
Dig, dig, dig
hands scooping
With a Vroom, vroom, vroom,
repeat actions
Dig, dig, dig,
Can you hear it talking?
hand to ear

Verse 2:

You can ride a Bumper Boat
twist hips
Or a Roller Coaster,
waves motion with hand
Watch the clock tick tock tick,
clocks hands move towards your right
Bread pop out the toaster!
bob down - jump up
WHEEEEEEE!

Repeat verse one and chorus
