

3. The Birds Up In The Tree Tops

Source unknown.

Words adapted by Jill Kemp

The birds up in the tree tops

bird beak actions

Sing their song

conducting music

Early in the morning

Sleep

And all day long

open arms wide

The flowers in the garden show

arms wave above head

God's love to you

point: up point other person

So why shouldn't I

point to self

Why shouldn't you

point to others

Praise God too
